“Avalon Register of Historic Places” Program Overview

This program is intended to recognize Avalon buildings – homes, businesses, public buildings, and other structures – that are more than 50 years old and have retained their original character.

To participate, you are asked to submit an application, which staff can help you complete. The Borough’s Historic Preservation Committee reviews the applications.

If your application is accepted, you receive the following free of charge:

- Placement on the Avalon Register of Historic Places, a list of all structures that have received the designation, and the right to use or refer to that title.
- Certificate indicating your building’s acceptance into the program.
- Recognition in Avalon History Center / Historical Society newsletter.
- Priority consideration for inclusion on Historical Society’s House Tour.
- If you wish, inclusion on “walking tour” map of Avalon locating historic structures.

You also are entitled to hang a plaque on your home or building indicating its historic status. For a fee of \$70, the official “Avalon Historic Register” plaque indicating the building’s year of construction will be ordered for you. The cast plaque is 16” x 10”. Payment is accepted by check made out to Avalon Historical Society.
